Realizing that the transportation sector is one of the more affected sectors in the ordered lockdown, **ENRILE TEACHERS INTEGRATED DEVELOPMENT COOPERATIVE (ETIDC)** of Enrile, Cagayan organized a relief operation for tricycle and kalesa drivers in the town. They managed all of these while keeping operations of the coop grocery store accessible thereby providing a sense of security for the consuming public. The coop is also doing a great service by being a conduit of the government in the distribution of social amelioration payout for 4Ps beneficiaries through their point-of-sales services, a vital service much needed because of the Luzon-wide lockdown.

MABUHAY AGRI-CROP MPC, took a different but equally noble route by helping the frontliners, our heroes, in our fight against COVID 19. The monetary and the much needed face

shield donations to the police and the barangay government of Warat will go a long way in their fight against the dreaded corona virus.
