As businesses and other organizations prepare to gradually open during the region's transition from being under the Modified Enhanced Community Quarantine (MECQ) to a General Community Quarantine (GCQ) status, cooperative activities and initiatives supporting the COVID-19 response remain alive. This transition to the "new normal" and the limited movement of people did not stop Region 3 cooperatives from serving their communities while still practicing health and safety protocols to prevent the further spread of the virus. From May 27 to June 2, 2020, 17 cooperatives were reported to have extended support to its members, communities, and frontliners. Likewise, 29 cooperatives which were included in previous reports rendered continuous service to its members and other clients without compromising their workers' safety by adopting alternative work arrangements and modified schedule of operations.

Bulusukan Farmers Palay and Vegetable Producers Cooperative in San Ildefonso, Bulacan distributed 30 food packs to 30 members, amounting to P7,000 from their Community Development Fund (CDF). They also distributed P5,000 cash allowance given by the Department of Agriculture (DA) to 10 members of the cooperative who are eligible for such allowance.
