

With this, the ***Medical Care Providers Cooperative*** of Maybunga Pasig City intensifies its effort in delivering series of health care services in answering the needs of our society. 1/ Recently, through the collaboration of *St. Camillan family*, the cooperative conducted medical mission including free distribution of medicines to our brothers and sisters in Malate, Manila.

Medical professionals and volunteers who are coop members showing their untiring and selfless love for the sick

2/ The cooperative also received donations from its different partners, namely: *The Lay Camillian Family (LCF) under Our Lady of La Paz Parish, Makati City, the Department of Health (DOH) and Cleanfit Technologies International, Inc.* With the donations they received, they were able to reach-out both medical and community front-liners by providing PPEs. Community front-liners include: food vendors in the market, police and security guards, quarantine checkpoint volunteers and barangay workers.

Personal Protective Equipment's (PPEs) distributed to St. Camillus Medical Center in Pasig City

The Diocese of Malolos, Bulacan is one of the recipients in the distribution of PPE's and essential commodities

3/ They also did extra effort in visiting the elderlies who are currently not in good condition and share their love by giving foodpacks which contained three (3) kls. rice, one-dozen eggs and assorted vegetables.

The ***Makati City Employees Cooperative (MACEMCO)*** in the City of Makati, Metro Manila, recently donated cash to the City Government of Makati amounting to *Five Hundred Thousand (Php500,000.) Philippine Peso*. The cash donation will serve as additional emergency fund to the City Government of Makati in the procurement of health essentials, and PPE's to address the needs of the frontliners who are putting their lives in danger during this prevalent COVID-19 pandemic.

Shown in pictures are the Makati City Administrator, Atty. Certeza, DRRM Officer-Mr. Richie Rodriguez, City Health Officer – Dr. Sese, MACEMCO Chairperson Alvin Gamulo as he signed the check, Coop Treasurer Atty. Sucion and coop staff.

The **MAYA Neighborhood Multi-Purpose Cooperative** of Brgy. Rizal, Makati City also showed their concern for the community. They were able to provide food packs and grocery items to *fifty-nine (59)* households within their area of operation.

Kudos to the officers and members for a great job.

The **Responsible Operators and Drivers Transport Service Cooperative (ROAD TSC)** of Brgy. Olympia, Makati City, also extending support to our front-liners. Being in the transport group, they never fail to show off significant accomplishment by providing services in transporting food packs intended to the medical professionals of Sta. Ana General Hospital in Manila.
