

BSP #SafeAtHome with E-Payments

The Bangko Sentral ng Pilipinas (BSP) recently created the PisoLit, a Facebook, Instagram and Twitter account dedicated to spread financial education and consumer protection messages. Thru PisoLit, BSP disseminates vital information on usage of e-payments and online banking. These information are important for consumers to know, given the Covid-19 pandemic and resulting mobility and physical distancing restrictions.

To know more about the PisoLit program, you may visit these web pages:
