

IMPACT OF KOOP KAPATID PROGRAM ON SMALL BROTHER COOPERATIVES

The Cooperative Development Authority, as mandated by Republic Act No. 6939, seeks to ensure the safe and sound operation of cooperatives in order to develop the cooperative sector into a viable and sustainable economic enterprise. One way of reinforcing this strategy is to provide technical assistance to Micro / Small cooperatives through strengthening partnership with successful cooperatives through the **KOOP KAPATID (Big Brother Small Brother) Program** and application of the internationally accepted Principle of Cooperation Among Cooperatives. Koop Kapatid Program aims at identifying possible Large cooperatives who could extend all forms of possible assistance to Micro / Small cooperatives to help them graduate to Small / Medium cooperatives.

In November 18, 2019 a Memorandum of Agreement (MOA) was entered into and signed between Medium Cooperative, Limardina Multi-Purpose Cooperative and Small Brother God's Household Credit and Savings Cooperative.

The Small Brother Cooperative, God's Household Credit and Savings Cooperative, believes that the following assistance provided by its Big Brother, Limardina Multi-Purpose Cooperative, were very helpful to the staff of the Cooperative, namely:

- 1) Trainings to boost and enhance their self-confidence, knowledge and skills on:
 - a.) Bookkeeping
 - b) Managerial Capability
- 2) Technical assistance on how to keep the records of the Cooperative well-organized and updated and how to manage well the office operations.

Small Brother God's Household Credit and Savings Cooperative is deeply grateful to Big Brother Limardina Multi-Purpose Cooperative for this support. Information was provided by the Small Brother Cooperative Chairperson, Mr. Lyndon Negranza last September 3, 2020.
