

**VALENZUELA DEVELOPMENT COOPERATIVE
COMMUNITY SERVICE IN THE MIDST OF COVID 19**

I. SPIRITUAL AREA

In this PANDEMIC crisis where you can't see who is your real enemy, we the VALDECO Family believes that GOD is in control... "Be still in the presence of the LORD, and wait patiently for him to act" Psalm 37:7. We continuously doing our 30 minutes daily devotion to meditate the Word of GOD asking for strength and guidance. In this activity we include the Prayer Request of our members who visited in our office and wrote thru our "FREE PRAYER BOARD PROGRAM" their prayer request while observing SOCIAL DISTANCING...

II. PHYSICAL AREA

KNOWLEDGE is POWER!!! Before our government declared Community Quarantine then later on Enhanced Community Quarantine... We, in VALDECO impart knowledge thru reading materials, posters placed in our bulletin board inside the office and FB Post Advisory in regards to COVID 19 for our members. We are lucky that we have a “medical doctor”, member of our BOD that serves as our source of information to avoid fake news or info from different sources.

Just like other coops or institution, we also did thermal scanning and disinfecting members and visitors before entering to our office.

We also follow the suggested SKELETAL WORK FORCE for the safety of our employees. For those employees who are working, we provided daily supplement of STEM CELL to boost our immune system better than Vit. C.

We regularly disinfecting our office and our market twice a day.

III. FINANCIAL AREA

What is good in VALDECO, we have a regular FINANCIAL LITERACY Program for our members. Some of our members and all employees and officers have our EMERGENCY FUND DEPOSIT—savings product that can only be withdrawn during emergency cases. Now wherein we are in the pandemic crisis, this savings is ready to use or withdrawn. I believe that members who have this emergency fund feel more secure in their finances during crisis. We also offered, EMERGENCY LOAN and MORATORIUM for members' loan obligation. And we distributed VALDECO Market Gift Certificate worth Php250.00 for all Regular Members whether they are good standing, delinquent or in abroad as long as they have relatives leaving here in our community. They can use this GC to buy products in our VALDECO Greenleaf Market (Wet & Dry).

Taking inspiration from Pasig City, we are launching our **#AlagangValenzuelano** Market On Wheels in partnership with VALDECO Greenleaf Market.

#MarketOnWheels aims to bring basic goods closer to Valenzuela residents who are far from the public markets and lessen the people in the markets during the community quarantine period.

We are deploying our E-Trikes and partner vendors on Sunday, March 29, 2020, from 7:00 AM to 10 AM in Mapulang Lupa and Rincon.

Thanks for the inspo, Mayor Vico Sotto!
