Dear \_\_\_\_\_:

Greetings!

Roxas Highway, Clark Freeport, Mabalacat, Pampanga.

The Forum aims to build awareness on cooperatives among the external auditors and to update the participants on the regulatory requirements of the CDA relevant to financial audit of cooperatives and other topics. Likewise, this activity is geared towards building effective linkage between CDA and the cooperative external auditors as partners in cooperative development, and a venue to thresh out issues and concerns on cooperative financial audit.

Expected participants of this Forum are the CDA Accredited Cooperative External Auditors; would-be cooperative external auditors; cooperative compliance officers and accountants; and other concerned cooperative officers.

Full attendance to this Forum is equivalent to the following:

- 16 Continuing Professional Development (CPD) units for individual CPA;
- 16 hours of the 24 hours training requirements for renewal of Accreditation to the CDA for Cooperative External Auditors;
- 16 hours of the 24 hours training requirements for new/initial Accreditation for Cooperative External Auditors (the remaining 8 hours should be on Basic Cooperative as included in the prescribed course outline for initial accreditation)

We are inviting you to participate in this activity. Your attendance will make a difference in achieving our goals for cooperative development. The details and procedure for registration and confirmation of attendance is hereto attached.

Please confirm your attendance **on or before July 31, 2017** with the PICPA National or with the CDA Central Office at 7256604 or CDA Extension Office near you.
