

## **ACACIA Multipurpose Cooperative**

The cooperative was registered under the name of Royal Palm Residences Credit Cooperative on July 7, 2011. It later amended its name to Acacia Multipurpose Cooperative to engage not only in lending operations but also in day care tutorial.

At present, the cooperative is a small cooperative in terms of asset category. The Chairperson and the staff of the cooperative work hand in hand to digitalize all cooperative documents, scan and save in clouds as part of their digitalization of records.

Members can access application of loans and members' individual account thru their email account provided by the cooperative.
