RESEARCH STUDY

Vision, Mission, Goals and
Objectives of West Visayas State
University Multi-Purpose
Cooperative

Objectives

To determine the West Visayas State University Multi-Purpose Cooperative members' awareness of their coop's vision, mission, goals and objectives.

Highlights

Results revealed that the members of WVSU-MPC whether taken as an entire group or classified according to different categories were highly aware of the vision, mission, goals and objectives of their coop. No significant differences were noted in the members'awareness towards the VMGO of WVSU - MPC when they grouped according gender, age, civil status, educationsl attainment, and status of membership.

Recommendation

- 1. The manager and officers should do their duties and responsibilities for the improvement of the cooperative.
- 2. Continuous information, dissemination of the WVSU-MPC VMGO should be done by the cooperatives employees.
- 3. Members of the WVSU-MPC should also be encouraged to know and understand their duties and obligations in strengthening it's vision, mission, goals, and objectives.

WVSU-MPC should consider the students feedback on it's vision, mission, goals, and objectives for immediate responses.

5. Future researchers can get and apply insights from the operation of the cooperative.
