

The Pre-Registration Seminar that was held on February 16, 2021 was conducted by Jacklyn Cantalejo and Mr. Arnel Crisostomo Cruz via Google Meet.

As the seminar started, there were technical problems that happened since the Google Meet only accepts up to 150 participants. Some of the registered participants for that day did not have the chance to enter the said webinar. The host was also kicked out from the Google Meet but thankfully one of the PRS Team members was still inside the Meet.

The composition of the participants last February 16, 2021 were from the transport services, housing and credit cooperatives. There were 9 prospective cooperatives that attended the webinar with a total of 128 participants.

Our partner from PAGIBIG also discussed about their program for the people.
