and Submission of
Liquidation
Documents/ Reports

Felamie D. Tanaleon
CDS II / Acting Accountant

The orientation is about the concept on Consolidation and to provide knowledge and deeper understanding on how Cooperative as a "Business Model" can be adopted to improve the status of micro cooperatives and gain competitive advantages.

The meeting is part of the social preparation that has gained the support of the Provincial Government.

The Vice Governor in his speech, expressed his gratitude to the officers who responded favorably to the invitation, to the Cooperative Development Authority and other partners for the continued support for the development of cooperatives in the Province.
