ADVISORY

In light of the recent technical issues experienced within our reporting system which caused delays and disruptions in the timely submission of required reports, we issue this advisory to inform all concerned parties that **monetary penalty for late submission of reports is hereby waived until May 15, 2025.**

This consideration is being made to accommodate users affected by the system glitch and to ensure that all reports can be submitted properly without undue penalty.

We urge cooperatives to take this opportunity to finalize and submit their reports as soon as possible through the Cooperative Assessment Information System (CAIS); the Alternative Mode of Submission of Reports (OFFLINE CAPR) or the simplified reporting for Micro Cooperatives using the Google Form thru the link indicated in the CDA website.

The abovementioned waiving of penalty is pursuant to **CDA Board Resolution No. 260, S-2025 dated May 2, 2025..**

For the information and guidance of all concerned.

Chairman
